

Certificate of conformity of the factory production control FPC-K0208410-1

Issued	2023-01-01	Replaces	-
First issued	--	Page	1 of 2

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Obiwand systeemwanden

Scope of certificate: Internal partition kits for use as non-loadbearing walls

placed on the market under the name or trademark of

Obimex bv

and produced in the manufacturing plant

Almelo

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EAD 210005-00-0505

are applied and that the factory production control is assessed to be in conformity with applicable requirements. The assessment of the factory production control takes **place on voluntary basis** since this assessment is not a formal task for a notified factory production control certification body according to the CPR annex IV.

This certificate was first issued on 2023-01-01 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the certification body.
